Proceedings of the Madras Government, Revenue Department, 26th July 1860.

No. 317. Read the following Proceedings of the Board of Revenue, dated 11th July 1860, No. 3,186 :—

Read the following letter from E. G. R. FANE, Esq., Collector of Vizagapatam, to J. D. SIM, Esq., Secretary to the Board of Revenue, dated Vizagapatam, 14th June 1860, No. 559.

1. Referring to the order of the Board, No. 2,646, dated 2nd June, giving cover to an application from Messrs. Arbuthnot and Co., soliciting that means be adopted to obviate the inconveniences their Agent at Bimlipatam is put to, in having to obtain the signature of the Collector to Rum Certificates granted under Act XXIII of 1841, by allowing the Sea Custom Tanadar at Bimlipatam to sign the same ; I have the honor to state, that it has been hitherto considered that the Sea Custom Tanadar of Bimlipatam was not competent to grant Certificates, and I believe no Officer of the like rank of the Tanadar, one who does not possess Judicial powers, is competent to administer the Declaration (C) as required by the said Act. In the Declaration, however, it is stated, "I, C. D., Collector of Land Revenue (or Collector of Custom Revenue, or being an Officer appointed by the Governor in Council to act in this behalf"); such being the case, why should not His Excellency the Governor appoint the Tanadar of Sea Customs at Bimlipatam to act in that behalf, and thereby relieve Mr. Young and other Sugar exporters from following the Collector's Office ; or if the Government do not see fit to do this, the Treasury Deputy Collector is always in Vizagapatam, and he at any rate under the provisions of the Act, is competent both to administer the Declaration and to grant the Certificate.

2. The Deputy Collector in charge of the Salt would also be often passing through Bimlipatam, he might often when doing so, take the Declaration (C) from the exporters, and save them the trouble of going even so far as Vizagapatam to the Treasury Deputy Collector.

3. I think, however, that something should be done to relieve the merchants, and if the first proposition could be acted to, so much the better ; failing it, either the 2nd and 3rd, would be some relief.

In Cons., 1*st June* 1860, *No.* 2,578.

1. Submitted to Government with reference to their Order, dated 31st May last, Revenue Department, No. 897.

2. The Board recommend that the Sea Customs Tanadar at Bimlipatam be specially authorized to grant Certificates of origin and receive Declarations under Act XXIII of 1841. The Tanadar receives Rupees 40 per mensem.
