Proceedings of the Madras Government, Revenue Department, 26th July 1860.

No. 329. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Nursápur, 14th July 1860, No. 700:—

1. Referring to my letter of the 25th June last, No. 661, proposing a re-organization and enlargement of the Settlement parties so as to adjust their rate of work to that of the Survey parties, as increased under the Orders of Government of 28th December 1859, No. 1,779 and 4th February 1860, No. 179, I deem it proper to inform you that the Trichinopoly Survey party will, for want of sufficient work receive a check in the present month and that, pending the Orders of Government on my proposition, I have been obliged to request the Superintendent of Revenue Survey to reduce the number of his Survey Amíns, a course which is to be regretted.

2. I may add that the facilities for making up the Trichinopoly Survey party to the increased strength sanctioned in February last, have proved much greater than was expected at the time, and that although there was a considerable area demarcated in advance of the Survey, the great disparity of the numbers of the Amíns and demarcators, viz., 60 against 48, has led to the former advancing so rapidly, that fresh completed Táluqs will not be available for them till next month though there is much work in progress.

No. 330. ORDER THEREON, 26th July 1860, No. 1,250.

Ordered to be communicated to the Board of Revenue with reference to the Order of the 25th instant, No. 1,240.

(Signed) J. D. BOURDILLON,
Secretary to Government.
