Proceedings of the Madras Government, Revenue Department, 28th July 1860.

No. 345. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Camp Narsapúr, 12th July No. 692:—

With letter from Captain Priestley, dated 5th July 1860, No. 555, (to be returned.)

1. I have the honor to acknowledge the receipt of the Proceedings of the Madras Government, dated 28th ultimo, No. 1,067, requesting further explanation regarding the temporary changes made in the Survey and Settlement Establishments under the sanction accorded in the Order of 25th May 1859, No. 706.

2. In reply I beg to state that the returns contrasted only the items in which the changes were made, and that, although such changes resulted in an increase, the total expenditure for the several parties was in no case exceeded. The other condition of the Government Order, viz., that the fixed rates of salary should not be exceeded in any case was also strictly adhered to.

3. Future returns will be made to show more particularly that the total expenditure has not been exceeded.

No. 346. ORDER THEREON, 28th July 1860, No. 1,258.

Ordered to be recorded.

R Newill Esqre
Director Revenue Settlement

Sir

In reply to the call for Explanation contained in your Memo No 669 attached to order of Government dated 28th June 1860, I have the honor to state that in no case have I permitted changes in the Survey Department that involved Expenditure in Excess of the Sums sanctioned for the particular heads nor have the fixed rates of salary been exceeded.

2 The misapprehension on the part of Government may perhaps have arisen from the sums entered as sanctioned by Government being less than those under the head of "changes sanctioned" and from the difference having been supposed to represent the Excess above the sanction for a party instead of being merely unexpended money appropriated for the payment of a temporary increase to the number of such ranks as were found deficient

except in one instance
