**In Con., 29th June 1860, No. 3,144.**

**From A. PURVIS, Esq., Collector of the GODAVERI DISTRICT,**
dated Cocanada, 22nd June 1860, No. 87.

I have the honor to forward copy of a letter from Captain Stoddard, the officer who, in addition to his other duties, has, under the Orders of Government, had the superintendence of the arrangements connected with the establishment of the salt depôt at Manikdrokunta.

2. Captain Stoddard points out that he will shortly leave this division, and asks for instructions regarding the transfer of the management of the salt depôt.

3. Mr. Norton, the officer in immediate charge of the depôt, has hitherto acquitted himself very well, and with his aid I do not anticipate any difficulty in carrying it on without the intervention of any other officer, should Government see fit so to direct.

4. Mr. Norton will have completed his six months' service at the close of this month and has fully entitled himself to the salary of 100 Rupees approved by Government,* which I request I may be authorised to pay him from the 1st proximo.

* Under date the 19th January 1860, No. 97.

5. It will be seen from Captain Stoddard's letter that the sales in the first two months have not averaged more than 6½ maunds per diem, but there can be no doubt, as the depôt becomes generally known, they will greatly increase.

6. A statement showing the financial position of the depôt on the 30th ultimo, is submitted by Captain Stoddard. I do not see that any particular advantage is to be gained by adopting the expedient suggested by him of charging the salaries of the depôt servants to the general salt Revenue accounts of the district.

In Con., 29th June 1860, No. 3,149.

From A. PURVIS, Esq., Collector of the GODAVERI DISTRICT,
dated Cocanada, 22nd June 1860, No. 86.

On the restoration to the Zemindar of the Baharzalli Pargana, the services of the revenue Establishment hitherto employed in the Akivid Taluq were dispensed with, and the allowance for Saderward withheld. It had up to that time been customary to pay a Mashalchi employed in the Taluq kacheri from the Saderward fund. This course was no longer practicable and I was compelled to authorize the entertainment of a servant of this description on a salary of 2 Rupees per mensem from the 1st of March last ; I have the honor to request that sanction may be obtained for the disbursement up to the end of the present month. The pay of this servant from the commencement of the next Fasli has been included in the list of extra Establishment submitted by me.
