*Proceedings of the Madras Government, Revenue Department,
2nd August 1860.*

No. 11. Read the following Proceedings of the Board of Revenue, dated 21st July 1860,
No. 3,338:—

Read Proceedings of the Madras Government, dated 18th July 1860, No. 1,184.

(In Cons., 20th July 1860, No. 3,527.)

Resolved that the foregoing Proceedings of Government be communicated to the Collector of Madras. The Board consider that the first of the two plans proposed by Government is the best, Mr. Cunliffe will accordingly direct the Deputy Collector at Madras to remit to the General Treasury every day all collections received by him up to 2 o'clock, but this is not to prevent the subsequent receipt of further sums which can be remitted the following day with the collections of that day. As Pensions are paid out of funds drawn from the General Treasury, they may be disbursed at any hour of the day without restriction. The Collector will have the Deputy Collector's Notification cancelled under the arrangement now pointed out.
