No. 17. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Camp Narsapúr, 14th July 1860, No. 699:—

1. In their Proceedings of 3rd February last, No. 175, Government were pleased to direct that the Order of 25th August last, allowing to the Superintendent of Revenue Survey and myself discretion in regulating the salaries of the Wainád Survey and Settlement parties according to the increased standard of pay prevailing in Wainád, and found necessary to be given to secure the services of qualified persons in that locality, should continue in force for a period of six months, within which period it was supposed revised scales of pay for these parties could be drawn up. The Order was received just before the parties were broken up for the unhealthy season and the period expires on 3rd proximo.

2. My Deputy for the Wainád has been, and still is absent from his post, and has thus had little opportunity of making the enquiries requisite for the purpose, and I have as yet had no opportunity of consulting him further on the subject with reference to the proposed re-organization of the Settlement Department generally.

To Government, 25th June 1860, *No.* 661.

Captain Priestley also says he is unable to draw up a revised scale for this Survey party at present, as Survey work has entirely ceased and the hands have been transferred temporarily to Salem, and he asks for the period to be extended to six months after resuming operations after the monsoon.

3. Under these circumstances, I have the honor to request that the Order of 25th August last, above alluded to, may have effect for both Survey and Settlement parties in the Wainád until six months from the time of the Survey work being regularly resumed.

No. 18. ORDER THEREON, 2nd August 1860, No. 1,286.

1. The Director of Revenue Settlement represents that owing to the absence of his Deputy from Wainád and the cessation of Survey work in that province, and the transfer elsewhere of the Survey party; he has not been able to re-organize the Wainád Survey and Settlement establishments, and therefore requests that the six months prescribed for that purpose in the Order of 3rd February 1860, No. 175, may be allowed to commence from the date of the resumption of operations after the monsoon.

2. The Governor in Council is pleased to comply with this request.
