Dated 3rd August 1860, *No.* 1,291.

Read again Proceedings of Government in the Revenue Department, dated 14th May 1860, No. 771.

1. In this Order the Government directed that Mr. T. Clarke, a Member of the Board of Revenue, should make a circuit of all the coast Districts, for the purpose of inspecting and reporting on the arrangements and practice in connection with the Salt Revenue. Mr. Clarke has accordingly inspected the Establishments North of Madras, as far as Chinna Ganjam in the Kistna District, and has returned to the Presidency. The prolonged absence of a Member of the Board of Revenue is found to be inconvenient, especially now that Mr. Pelly is engaged on a special duty which requires a good deal of his time. It appears also to the Government with reference to the recent appointment of a Deputy Collector to the charge of the Salt in each District, that the proper time for an inspection of the Salt Department has not arrived; but that such inspection should take place when the Deputy Collectors have been longer in charge.

2. For these reasons the Government resolve to direct Mr. Clarke to resume his place in the Board of Revenue. He will, however, submit a Report, as directed in paragraph 7 of the Order of the 14th May, on those Establishments which he has visited.

3. In the Orders noted in the margin, appointing Deputy Collectors to the charge of the Salt in Ganjam, Kistna and Nellore, it was directed that each of the Officers so appointed should make a special Report through the Collector after being three months in charge. The Government have as yet only received one such Report, viz., a very full and able one from Narasinga Ráu of Ganjam. The Board will now call for such Reports from all the Deputy Collectors in charge of the Salt, and will lay them before Government from time to time with as little delay as possible, with their own review.
