No. 29. ORDER THEREON, 3rd August 1860, No. 1,292.

Under the Order of this date, No. 1,291, Narrainsawmy Mudali will be free to return to his duty in the Nellore District.

(Signed) J. D. BOURDILLON,
Secretary to Government.

In Con. 17th July 1860, No. 3,485.

From T. CLARKE, Esq., 3rd Member of the Board of Revenue,
dated Chinna Ganjam, 13th July 1860, No. 22.

In reply to the request conveyed in the Board's Proceedings of the 7th instant, I have the honor to inform you, that from the experience gained from my progress through this district, I deem it likely that I shall require the services of Narayanasawmi Modiliar for at least one year more.

2. I commenced my tour on the 1st June last, visiting first the salt villages on the Pulicat lake, and entered this district on the morning of 18th June; since then I have been engaged every morning and evening in visiting kottars, measuring salt, or proceeding on my journey. At no place have I protracted my stay beyond 48 hours except on Sunday intervened. I commence my march usually at 3½ or 4 A. M., and seldom reach my tent before 9 A. M. I am again out at 4 or 4½ P. M., and rejoin my camp at 7 or 7½ when I am travelling even later; but I have been enabled to complete the examination of the salt pans of this district under a period of nearly six weeks.

3. The subjoined table will give the Board some idea of the details of my progress.

4. I hardly expect to finish my examination of the Southern Districts before the end of November, that of the Western District before the end of February, or to conclude that of the Northern District before the end of next June.

List of Marches.

Enclosure No. 2 in Proceedings of the Board of Revenue to the Secretary to Government R.C. dated 21st July 1860 No. 33214.

Letter from the Members of the Board of Rev. to the Secretary to the Board of Revenue dated 13th July 1860 No. 22 regarding Narayanaswamy Mudaliar Deputy Collr. of Nellore.

In Con., 7th July 1860, No. 3,285.

From J. W. B. DYKES, Esq., Collector of NELLORE,
dated Nellore, 4th July 1860, No. 100.

Having learnt from Mr. Clarke, that Mr. C. Narayanaswami Mudeli, the Deputy Collector in charge of the Salt Department in this district, has been selected to accompany him during his tour of inspection of the arrangements and practice of the Salt Departments in the Maritime Districts, and will probably be so occupied for many months, I have the honor to request that the Board will be pleased to arrange for some officer being sent to take charge of the Salt Department of this district during Mr. Narayanaswami's absence. And in making this request, I would further request that any arrangement, that may be made, may be of a temporary nature. Since Mr. Narayanaswami took charge, much good has been effected. It is highly desirable that he should be allowed to work out, thoroughly, the reforms which he has so ably put in progress—and, as it is equally desirable that he should, similarly, have the carrying out of the pending revision of the Salt establishments, I trust that the officer sent, may be simply sent to act for Mr. Narayanaswami during his temporary employment on other duty.
