EEDINGS OF THE MADRAS GOVERNMENT.

ter from H. D. PHILLIPS, Esq., Commissioner at Tanjore, to T. Esq., Chief Secretary to Government, Fort Saint George, dated 20th 1,296.

y of troubling Government with a matter that should have been em- ion which elicited their Order, dated 13th April last, No. 217.

2. Against No. 1,074, Dowlat Pamlok list, submitted by
276. me on the marginal date, it is stated that the 9 Rupees monthly allowance for illuminating the "Temple of Great Husén iable to entry as a Dowlat Pamlok charge and if found fit "for con- on in the proper course."

the abolition of the Dowlat Pamlok establishment early in 1857, the have disbursed this sum unless on sanction specially obtained. For reached me, and for all I knew to the contrary, the allowance had

now been requested by a Mahomedan calling himself the head of the ay him Rupees 9 per mensem for the expenses of the Institution. His circumstance of the Sirkele, under the effect of the Government Order, 05, being no longer the medium of paying the Palace Stipendiaries and nder control any of the reduced Palace Establishment hitherto enter- the Sirkele's Department, I find that ever since the Dowlat Pamlok exist in 1857. the Husén Sahib allowance has been disbursed in the n of the charges required for keeping up the Sarasvati Méhál or reli- Palace.

mpts to justify the disbursement by pointing to the fact of his monthly tersigned by the Resident, or the Government Agent. I observe, how- sum wanted for each of the several Departments, of which the Sarasvati in his indents; so that there were no means of learning that a Maho- in common with places of Hindu worship. Further, in a list of servants pay under the Sirkele in December last, which I procured from him fter my arrival here as Commissioner, I find that the 9 Rupees claimed y the Mahomedan to whom I have adverted, is put down under the árchi" (female servants) as the salary of "Torlé Husén Sahib" from be drawn other than that Torlé Husén Sahib was some female servant d of one.

ention that had an application been made to me early in 1857, when the ished, I should certainly have authorized payment of the Rupees 9 as sual; for it is one of the allowances that the Raja had always recog- ized. His predecessor, by a Parwángi issued in the commencement of ie century had also given it his sanction and it appears to have been , since the days of the old Raja Yekóji.

en in not asking for permission to regard the allowance as one of the liberty to discharge.

umstances it becomes my duty now to beg authority for the continu- question; but, in order that the Officers of Government may in no wise be connected with its future disbursement, I would suggest that
3,140 the sum of Rupees 3,140 per annum for which an assignment
= 108 of Mirássi land is about to be made, be raised from that amount
—-— to Rupees 3,248, so as to yield what will cover the grant hitherto
3,248 enjoyed by the Husén Sahib Dargá. The periodical discharge
—— of the allowance will thus be left with those whom Government
. 404. may elect to manage the intended new endowment.

9. The Dargá adverted to is a building of insignificant importance so far as externals are concerned; but, as the town of Tanjore has not within its limits any regular Mosque, this Dargá is the principal place of resort for the devoutly disposed of the scanty Mussalman inhabitants of the station and is the site of the most important temporary erection for the Panjas and other religious symbols exhibited during the Moharam festival.

ORDER THEREON, 28th July 1860, No. 457.

Under the circumstances represented in the foregoing letter, the Government grant the authority solicited for the continuance of the monthly allowance of (9) nine Rupees for the expenses of the Husen Sahib Darga at Tanjore, and approve of provision being made for this grant in the proposed assignment of a portion of the Raja's Mirasi Villages for the endowment of the Religious Institutions, &c., specified in the Order of Government, dated 13th April last, No 217. The value of the assignment then sanctioned will thus be raised from Rupees 3,140 to Rupees 3,248 per annum.
