Revenue **DEPARTMENT.**

G.O. No. 133	Press ~~Mis.~~
68-69	
Dated 27 — 1 — 1860.	

Not to be folded or roughly handled

No. 68. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to T. PYCROFT, Esq., Chief Secretary to Government, dated Trichinápali, 12th January 1860, No. 23.

1. In reference to the proceedings of Government, dated 29th November 1859, No. 1619, I have the honor to submit an estimate for the measuring chains required for the use of the village Karanams in certain táluqs in the districts of South Arcot, Trichinápali, and Salem, and to request the sanction of Government for the same, amounting to Rupees (3,024) three thousand and twenty-four.

2. The estimate in the present case, is for iron chains of 50 links at Rupees 1-12 each. The people in the southern districts are not accustomed to the bambú rods linked or tied together, as is the case in the Northern Sirkárs, but use a long bambú pole. A few chains which have been made up of bambús have not turned out so useful as was expected, owing to good bambús not being procurable, and perhaps also inferior workmanship in putting them together with iron links and ferrules, so that upon the whole it may prove the best economy to incur a little more expense in making the chains for these districts of iron. The cost if made up with bambú rods in the manner sanctioned for the northern districts, would be Rupees 1,296 at 12 annas each.

3. 49 chains have been already supplied to the village Karanams in the Chidambaram and Ariyalúr táluq at their own cost.

No. 69. ORDER THEREON, 27th January 1860, No. 133.

The Government sanction the estimate of Rupees (3,024) three thousand and twenty-four for 1,728 measuring chains to be supplied to village Karanams in South Arcot, Trichinápali and Salem.

2. Any Karanam losing a chain must be required to replace it at his own cost. The Superintendent of Revenue Survey will give due publicity to this rule.

My dear Mr Pycroft

I think I have been a little misapprehension in the matter of para 2 of this order — The measurement of single holdings for which the chains are required is done by the Karnams under the supervision of the Collector Department, the checked in the Head & the Survey Dept. & the whole conduct of the

I direct the Survey Dept. has nothing to do with the supply of the chains or their use, and it is incongruous for the Dept. of Survey to publish a rule with which it has to comply.

duly belongs to the Settlement Dept. which supplies the chains & pays the work done in the field. If you allow me to substitute Director of Rev. Settt. for Supt. of Ptr. Survey in para 2 it would remove the confusion that may otherwise arise in my circulating the order to the survey Dept. as I am required to do as it now stands.
