G.O. No. 140

Dated 30 - 4 - 1860.

Not to be folded or roughly handled

Calicut, 13th April 1860

P. Grant Esq^r
Collector of Malabar,
Calicut.

Sir,

May I beg the favor of your kind support in obtaining for me three Months' Leave, under Section VII of the Un-covenanted Service Absentee Rules, to visit the Nalgherry Hills or Bangalore, under any arrangement which it may be in your power to suggest, to be availed of about the middle of next month, when in consequence of the setting in of the South West Monsoon and the closing of the Sea Ports, the press of business in the Department is not likely to be so great, or my absence so much felt.

2. I have not enjoyed any Leave for the last five years, and the whole period of my absence on Leave, during my service of 20 years in this Collectorate, has not exceeded 4 months.

3. I should not, under ordinary circumstances, have thought of preferring this request, but the occasion which has induced me to do so now, as you are aware, is of a pressing nature. My three sons of the ages of 9, 11 & 14 years respectively, have for several months past, suffered

in their general health to a degree which
has seriously impaired their constitution &
retarded their tuition. I am therefore
obliged to seek a change, and the Nulgherry
Hills, as the nearest & most convenient
locality, seems the best choice I can make,
in view to secure for them the advantage
of a more congenial climate, combined with
good Education. The Children being
sickly & weak, are likely at the onset, until
somewhat inured to the climate, to need
more than ordinary care, and this consideration
alone has induced me to solicit the full
extent of my cumulative leave, but if you
should deem my return at an earlier date
necessary or desirable, I shall be quite
prepared to re-join as soon as required:-
in this case I trust I may venture to
indulge the hope of being allowed to
avail myself of the unexpired portion
of the said Leave at some future period,
if it should be urgently needed.

The journey to &
fro, via Coimbatore,
will take up a
month.

I have the honor to be,
Sir,
Your most obedient Servant;

W. Bates
Deputy Collector
in Charge of Treasury.

Calicut, 16 April 1860. -

From

P. Grant Esqre,

To

Collector of Malabar

J. D. Sim Esqre,

Secretary to the Board
of Revenue...

Fort St. George.

Sir,

I beg to transmit an application from my Deputy Collector, Mr. Bates, for 3 months Privilege leave, and to recommend that the same be complied with. -

2. As stated in Mr. Bates' application, our Ports, from the setting in of the S. W. Monsoon, will be closed during the period of his absence; - so that business will be lighter at that time, than during any other period of the year, and his absence consequently less felt. -

To observe by the Gazette of 30

Ultimo

For K. 1799 of 1860
Lufano: 210/16 -

P. 839/60.

Ultimo, that Mr. Richardson has
been appointed as a Deputy Collector
in Wynah. The Monsoon is so near
at hand, that he will be unable to
assume his duties in that part of
the country, until after the rains;
for, there is no house for him, and
before the wet season is over, it is
quite out of the question his attempt-
ing to build one. I would, therefore,
suggest that he be appointed to act
for Mr. Bates during his absence,
as he would not only have the
Treasury to attend to, but be able
to learn much in connection with
his future duties, of which, from
his being a stranger to the Province,
he must be comparatively ignorant.

I have the honor to be,
Sir,
Your most obed^t servant

P. Hunt
Collector.
