Proceedings of the Madras Government, Revenue Department,
24th August 1860.

Ordered in consequence that the following letter be despatched.

No. 307. From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, to G. LUTCHANARSU CHETTY, dated 24th August 1860, No. 1,434 :—

SIR,

1. I am directed to inform you that the Government propose to appoint you an unofficial Member of the Income Tax Commission under Act No. XXXII of 1860, and to request that you will inform them if you are willing to act in that capacity.

2. I am desired to annex for your information an extract from certain instructions received from the Government of India for the management of the Income Tax, relating to the duties and the remuneration of the non-official Members of the Commission.

3. The favor of an early reply is requested.

EXTRACT FROM THE INSTRUCTIONS FOR THE MANAGEMENT, ASSESSMENT AND COLLECTION OF THE INCOME TAX.

Paragraph 4. "The non-official members should be gentlemen selected from the general "community for their character and position, and for the personal respect they may command. "The intention of the Supreme Government is not to create appointments which might be "sought for as objects of emolument or advantage, but, by the admission of a non-official element, "to obtain such an administration of the Tax as may secure the confidence of the community of "the Presidency Town. As the main business and detailed proceedings of the Commission "would be conducted by the Government Officers, the non-official members would not have to "devote any large portion of their time to the work. They would sit with the Commission on "certain fixed days, especially on those days when objections to assessments under the Act may "be heard. It will not therefore be necessary to assign any regular "salary to the appointment; but a remuneration, on the scale "marginally noted,* for each actual sitting, will be paid, in the "nature of an *honorarium*."

* *Thirty-two Rupees.*

Secretary to Government.
