No. 338. Read the following letter from W. J. RAYNOR, Esq., Acting Civil Auditor, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 13th August 1860, No. 544 :—

SIR,

1. I have the honor to acknowledge the receipt of the Orders of Government, dated 11th instant, No. 1,333, Revenue Department, forwarding for report a letter from the Secretary to the Board of Examiners, recommending the grant of travelling allowance to Mr. Locke, Deputy Collector of North Arcot, on the occasion of his proceeding to Cuddalore to present himself for Examination.

2. In reply, I beg to state that there is no rule in this Presidency providing for the grant of travelling allowance to Uncovenanted Servants required to proceed to stations distant from their own for Examination; but the indulgence is allowed to Covenanted Assistants, and under the circumstances stated in Mr. Forbes' letter there seems no objection to the recommendation of the Board of Examiners being complied with.

3. I may add, from personal knowledge, that travelling allowance is granted on such occasions, at the established rates, to Uncovenanted as well as Covenanted Officers in the North West Provinces and Punjab, for the journey to and fro.

No. 339. ORDER THEREON, 28th August 1860, No. 1,452.

1. The Honorable the Governor in Council approves the proposal of the Civil Auditor to grant travelling allowance to Uncovenanted Servants who have to proceed to stations distant from their own for the purpose of passing an Examination ordered by the Government.

2. In granting a similar allowance in the Public Works Department the Government ruled as follows: "The allowance will be for the distance *bonâ fide* travelled, and will be the actual "charge incurred, which will be stated on honor by the applicant. As it is not reasonable to "grant this allowance more than once for the same Examination, it will not be given where an "Officer may fail to pass."

3. The Civil Auditor will be requested to draw up a rule for general adoption, in conformity with the terms recited above, and submit it for sanction. It should be provided that the sum allowed should in no case exceed that which would be due under the ordinary rules, except in cases where the individual may have been ordered by Government to travel by post.

4. Mr. Locke's claim will be disposed of under this Order.

(Signed) J. D. BOURDILLON,
Secretary to Government.
