Proceedings of the Madras Government, Revenue Department,
28th August 1860.

No. 351. Read the following Proceedings of the Board of Revenue, dated 20th August 1860, No. 3,812 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tencasy, 14th August 1860, No. 309 :—

SIR,

1. I have the honor to acknowledge copy of the Order of Government, dated 6th August 1860, No. 1,310, communicated to me by the Board on the 7th instant, suspending for a further period of six months the levy of frontier duty on the transport of grain conveyed by land into Travancore.

2. It is with much regret that I have to inform the Board, that the failure of the south west monsoon has most seriously affected the Carr cultivation of Tinnevelly, that the price of grain has risen unusually high, and I fear there will be a serious scarcity.

---

1. Submitted for the information of Government.
2. The Collector will keep the Board informed of the state of the District.
