Proceedings of the Madras Government, Revenue Department, 29th August 1860.

No. 373. Read the following Proceedings of the Board of Revenue, dated 21st August 1860, No. 3,830 :—

Read Proceedings of the Madras Government, dated 9th July 1860, No. 1,133.

(In Cons., 10th July 1860, No. 3,368.)

1. In the above Order, the Board were instructed to report on the practicability of the Collector providing supplies for Troops marching through the Chingleput District.

2. The Board consider that where there are no permanent bazars, the Tahsildárs generally will be able to arrange with the Shopkeepers or head men of adjacent villages for collecting ordinary supplies, advances being made for the purpose. It will occasionally happen that the services of extra Peons will be required, but this will not be of frequent occurrence when only small bodies of Troops are on the march.

3. At places where there are regular bazars there will be no difficulty.

4. When large bodies of Troops march through the District, it is desirable that the Collector should be authorised to engage a Conicopillay, if he finds it necessary to do so.

5. The expenditure incurred by the Collector may most conveniently be charged in Contingent bills, to be forwarded to the Quarter Master General of the Army.

6. In all cases the Collector should receive ample notice of the march of Troops for whom he is to provide supplies.

7. The Collector concurs in the above plan, and if the arrangements are approved by Government, the provision of supplies may be undertaken by the Revenue Department without difficulty.
