Proceedings of the Madras Government, Revenue Department,
30th August 1860.

No. 395. Read the following Proceedings of the Board of Revenue, dated 9th August 1860, No. 3,674 :—

Read letter from the Collector of Madras, dated 26th July 1860, No. 280 :—

(In Cons., 27th July 1860, No. 3,667.)

In Cons., 12th July 1860, *No.* 3,404.

1. Submitted for the information of Government with reference to their Order in the Revenue Department, No. 1,147, dated 11th July 1860.

2. The Collector explains that French paper was not supplied to the Karanams, but was substituted at the Huzúr for the Country paper supplied out of the Huzúr Sádirwárid for the preparation of the Village Accounts. The total expenditure at the Huzúr was within its estimate, and the excess appearing in the item of French foolscap, really results as the cost of the Country paper supplied to the Karanams.

No. 396. ORDER THEREON, 30th August 1860, No. 1,480.

Under the explanation afforded the Honorable the Governor in Council sanctions Rupees (1,606-2-3) One thousand six hundred and six, Annas two and Pice three, being the amount of excess in the Sádirwárid charges of the late Chingleput District incurred in Fasli 1268.

(Signed) J. D. BOURDILLON,
Secretary to Government.

In Con. 27th July 1860, No. 3,667:

From B. CUNLIFFE, Esq., Collector of MADRAS,
dated Saidapet, 26th July 1860, No. 280.

Referring to the Order of Government of the 11th instant, No. 1,147, communicated by the Board under date the 13th idem, No. 3,228, I have the honor to request the attention of the Board to the comparative statement which accompanied my Official Memorandum of the 5th ultimo, No. 171, from which it will be observed, that, although the standard of country paper for the Huzur was 287 reams, only 56½ were used in that office, while 499⅛ reams were distributed to the Curnums.

2. French paper was substituted for country, at the Huzur, which raised the consumption of the former 510 Rupees above the standard; but the expenditure of both kinds of paper at the Huzur were below the standard.
