No. 27. Read the following Proceedings of the Board of Revenue, dated 16th August 1860, No. 3,755:—

Read again letter from the Reporter of External Commerce, dated 9th July 1860, forwarding Comparative Trade Statements for the Official years 1858-9 and 1859-60.

(In Cons., 10th July 1860, No. 3,348.)

Read also letter from the same Officer, dated 4th August 1860, furnishing explanation called for by the Board of Revenue regarding the discrepancies apparent between the results given in the Abstract Statement No. 2 accompanying his first communication above recorded, and those shown in a Comparative Abstract prepared in the Office from the detailed Statements forming a part of the same communication.

(In Cons., 4th August 1860, No. 3,804.)

1. Resolved that the Statements received with the first letter above recorded be submitted for the information and Orders of Government, as promised in paragraph 3 of the Board's letter, No. 3,195, dated 12th July 1860.

2. In the second communication above recorded, Mr. Cochrane explains that detailed Statements of the Trade with the Minor Ports of Aden, Bourbon, Cape of Good Hope, Holland, Madeira and Teneriffe, Mediterranean Sea, Portugal and Pegu are not furnished, but that his Comparative Abstract No. 2 exhibits the *whole* trade by Sea for the years 1858-9 and 1859-60l

3. As it is, however, desirable that these Statements should be as complete as possible, the Reporter is requested to supply the above omissions in the sets for future years.

4. The Board recommend that Mr. Cochrane be authorized to have 100 copies of the present Statements printed together with those for which sanction has already been granted in the Order of Government, No. 1,199, dated 19th July 1860.

In Consultation, 23rd July 1860.

5. A manuscript copy of the set now forwarded has been transmitted to the Chamber of Commerce by the Reporter.

(A true Copy and Extract.)

J. J. Tulloch.

In Con. 4th August 1860, No. 3,804.

From W. E. COCHRANE, Esq., Reporter External Commerce,
dated Madras, 4th August 1860.

I have the honor to acknowledge the receipt of your Official Memorandum dated 2nd instant, and to state that the abstract made by your department is prepared from the Comparative Statements which were framed by the desire of the Chamber of Commerce, and which do not comprise the trade of the *whole of the Ports* of the Madras Presidency. Mr. Underwood in preparing the Statements for 1858-59, did not consider it necessary to show a comparison of the minor Ports, and accordingly directed this department to omit the same, which course has been followed up to this year also. The Statement No. 2 is framed from the detailed Statements forwarded with my letter of the 2nd July last—hence arises the difference pointed out by you.

2. I beg to annex a Statement of Import showing the Ports which were omitted in the year 1858-59, together with their values, the total of which corresponds with the difference pointed out by you in pencil at the foot of the Statement No. 2. Should the Board of Revenue, however, consider it necessary that all Ports should be given in the future Comparative Statements, I shall with much pleasure carry out their orders.

3. The papers forwarded with your Memorandum under acknowledgment are herewith returned.
