PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 17th August 1860, No. 3,772.

Read letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, dated Vallum, 11th August 1860, No. 248.

In your Circular of the 26th April last, No. 2,037, it is intimated that "the Government have "modified their Order of the 2nd July 1858, No. 908, so far as it concerns the grant of fresh "lands for Inam lands taken up for public purpose," and it is explained that "in these cases "it is not necessary that applications for such exchanges should be deferred pending full enquiry "into the validity of the Inamdar's title to hold the original lands on Inam tenure."

In this district all land being held to be the private property of the Mirasidars and there being no available waste at the disposal of Government to be granted in compensation for rent-free lands taken up for public purposes, the latter have to be paid for in ready money. It is not clear from your Circular under acknowledgment whether the bargain in such cases may be at once concluded and the purchase money disbursed to the Inamdars without any enquiry into their title to the lands made over by them.

I beg to be favored with early instructions on this point, as the payment of money due to the owners of maniems taken up for the Negapatam and Trichinopoly Railway has been deferred, pending the result of this reference.
