SIR,

1. I have the honor to acknowledge the receipt of the Order of Government, dated 16th August 1860, No. 1,371, and to state that the Geodetical Tables are not required for this Department generally, though the copy now sent will be of great use in the Central Office.

2. I take this opportunity of requesting that I may be supplied with or be permitted to obtain for the use of the Officers of the Department generally, a copy of the "Account of the "Principal Triangulation of Great Britain and Ireland." In reply to the Official Memorandum of yesterday's date, the undersigned has the honor to state that he would wish to have Six copies of the work in question if not expensive, otherwise three copies might suffice.
