No. 75. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 16th August 1860, No. 456 :—

SIR,

1. I have the honor to submit for the Orders of Government, the joint propositions of the Collector of Bellary and the Inspector General of Police for Táluq Magistrates in the District of Bellary. It will be observed that these gentlemen propose only four stations, and their recommendation is made "on the most careful re-consideration of the requirements of the District." The places at which they would locate these Officers are Rámandrúg, Kalyandrúg, Sirugappa and Bukkapatnam.

From Collector, 15th March 1860, *No.* 374.
From do. 9th July ,, ,, 704.
To do. 23rd do. ,, ,, 401.
From do. 3rd August ,, ,, 780.
From do. 10th July ,, ,, 679.

2. Mr. Hathaway, before he had consulted in person with Mr. Robinson, recommended ten stations, viz., the four now recommended, and Kampli, Naguldinna, Yadaky, Uravakonda, Kanacul and Amarapúr. These, with the exception of the last, are places, at all of which either a Tahsíldár or Péshkár is now located. From my knowledge of the District, I think it will be proper to retain as first recommended a Táluq Magistrate at the town of Kampli, which is a place of considerable importance, a market town on the frontier of the Hyderabad country and having a population of over 9,000 persons, and it is distant 11 miles from Hospett the new Kasba of the Táluq. At Uravakonda also, which is a large village, and a market town distant 30 miles from Gúti, the Kasba of the Táluq, and between that town and Bellary, (the locality of the Courts), and in the centre of a large and important rural District, far detached from the principal station of the Táluq, there should be, as there always has been, a separate Officer on the spot; I think, therefore, a Táluq Magistrate should be located here. At the other four places there is not the same necessity for Táluq Magistrates.

Letter, dated 15th May 1860.

3. The Officer in charge of the Sanitarium at Ramandrúg has been lately invested with Magisterial powers, and Mr. Hathaway is now of opinion that the Táluq Magistrates recommended for that place will not be necessary. Kalyandrúg is a town on the extreme west of that large Táluq of Dharmavaram, of which particular mention was made in my report on the re-arrangement of the Táluqs, and the services of this Officer will be required as much for Revenue as the Magisterial duties in that locality. Sirugappa and Bukkapatnam, from their position and circumstances, are fit places for Táluq Magistrates.

Order of Government, Judicial Department, dated 14th July 1860, *No.* 890.
Letter from Collector, 30th July 1860, *para.* 2.
See letter to Government, dated 30th November 1859, *No.* 105, *paragraph* 5.

4. On the strong recommendation of the Collector and the Inspector General of Mufassal Police, Government have appointed* the Commissariat Officer at the large and important Military station of Bellary, who now exercises the powers of Superintendent of Police of the Cantonment under Regulation VII of 1832, to be a Joint Magistrate with the full powers of a Magistrate for the Cantonment and whole town of Bellary. It is not necessary to allot any salary I believe, beyond what is already allowed by Government to the Commissariat Officer; but an Establishment will be necessary to replace that of the Police Establishment, which will

* *Order of Government, Judicial Department, dated 21st July* 1860, *No.* 915.

be transferred to the Police Department. On 29th July 1860, the Collector recommended an Establishment of 97 Rupees, but with his letter dated 3rd August, he submits a revised list as applied for by Captain Benson. The amount of this is Rupees 116 as particularized below :—

	Rs.
1 Writer and Interpreter	35
1 Assistant do.	22
1 Gumáshta	18
1 Do.	12
3 Dellayets	21
1 Dafadar	8
Total...	116

I do not however think such a large Establishment is necessary, and I beg to suggest the same as I have recommended for the Joint Magistrate at the Military Cantonment of Saint Thomas' Mount, which I have since revised in my letter of 13th August 1860, viz :—

	Rs.
1 Clerk	25
1 Do.	20
1 Do.	15
1 Dufterbund	7
2 Peons at 6 Rupees each	12
1 Sweeper and Mashálchí	5
Total...	84

5. The Establishment required for the Magistrate at Ramandrúg need be but small, as there cannot be much work to be performed by Clerks. Mr. Hathaway recommends four persons at a cost of 39 Rupees. I have kept the same number but raised the pay of the Clerk to 25 Rupees which is not too high especially on the Drúg.

	Rs.
1 Clerk	25
1 Dufterbund	7
1 Peon	7
1 Sweeper and Mashálchí	5
4 Total...	44

6. The following then would appear to be the requirements for Bellary, as shown in the accompanying Statement :—

Station.	*Cost.*
1 Sirugappa	84
2 Kampli	84
3 Uravakonda	84
4 Bukkapatnam	84
5 Kalyandrúg	114
6 Bellary town	84
7 Rámandrúg	44
Total...	578

7. The Táluq Map of Bellary is herewith forwarded.
