Proceedings of the Madras Government, Revenue Department, 6th September 1860.

No. 84. Read the following letter from W. BALMAIN, Esq., Officiating Civil Auditor, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 29th August 1860, No. 949 :—

SIR.

I have the honor to bring to your notice with reference to the Proceedings of Government, No. 1,275, dated 31st July 1860, that the Revenue Abstracts received from several Districts for the month of July are in excess of the sums entered as sanctioned under the new scale. The Officers have introduced more or less the new Establishments, but from not having reduced to an equal extent (or to the extent contemplated by Mr. Pelly's proposal) the Establishments before entertained, the totals of the Abstracts are in excess. As I am unable to audit these sums in excess and as considerable inconvenience and confusion is the result, I have the honor to suggest that some instruction on the subject may be issued to the several Collectors.

No. 85. ORDER THEREON, 6th September 1860, No. 1,527.

Resolved that a copy of this letter be furnished to Mr. Pelly and that he be requested to explain the cause of the excess alluded to by the Acting Civil Auditor. Mr. Pelly will obtain from that Officer the names of the Districts in which the excess occurs, and will communicate with the several Collectors if necessary ; but as little time as possible should be taken up in this correspondence.

(Signed) J. D. BOURDILLON,
Secretary to Government.
