Master Attendant's Office

Tuticorin 23rd. August 1860.

To,

J. Silver Esqr.

Collector of

Tinnevelly.

Sir,

With reference to your letter dated 20th. Instant, No. 610, and its enclosure, I have the honor to inform you that I have lately been engaged making a rough plan of the Flatts and other offices that will be required for the Pearl Fishery.

I am also drawing up a set of forms and other papers, which, when completed, I will forward with the plan to you.

As I consider that an acquaintance with the method

method of conducting the Fisheries in Ceylon will be of great advantage, I beg that I may be allowed to proceed to Colombo in the "Emily" for a few days for the purpose of conversing with the Master Attendant on the subject.

As the weather is not always favorable for crossing in October, I shall be obliged by being allowed to proceed as early as possible in September, the time that I shall be absent will then not exceed Eight or nine days at the furthest.—

I have &c.a

(Signed) G. W. Phipps.
