Proceedings of the Madras Government, Revenue Department, 10th September 1860.

No. 163. Read the following Proceedings of the Board of Revenue, dated 8th September 1860, No. 4,106 :—

Read the following letter from J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Palmanair, 4th September 1860, No. 203 :—

SIR,

1. I have the honor with reference to the correspondence noted in the margin, to forward a specification list of the properties belonging to the Estate of the late Nabob of the Carnatic. This statement, my Deputy Narasimlu Pantulu writes, has been compiled from such information as he has been able to collect from the Karnums and others best qualified to supply these details.

From Board, dated 2nd May 1860.
To do. do. 9th July ,,
From do. do. 31st July ,,
No. 3,502.

2. The Statement is to all appearances more complete than I could have expected, and will, I trust, be found tolerable accuraty in detail. From the enclosed copy of a letter from the same Deputy Collector, Government will learn that the Kárai Raiyats will not bear of the proposition to construct a masonry dam across the channel, for the more equal distribution of the water between themselves and the rival party. There would not, therefore, appear to be any other alternative than to leave matters as they now stand, and have in fact stood these many years, without giving cause of disagreement to either party, until Mr. Potter chose to interfere with all precedent and local usage.

---

1. Submitted to Government with reference to their Orders, dated 28th May 1860, No. 863 and 13th ultimo, No. 1,347, (paragraph 7) Revenue Department.

2. It will be seen that the Raiyats of the Government village of Kárai are averse to the construction of a masonry dam across the channel for the better regulation of the supply of water, while the Raiyats of the late Nabob's Garden, consent to such an arrangement.

No. 164. ORDER THEREON, 10th September 1860, No. 1,567.

1. Copy of these Proceedings together with the original Statement which accompanied them will be forwarded to the Receiver of the Carnatic Property with reference to paragraph 7 of the Order of Government, dated 13th August 1860, No. 1,347. Mr. Dale will be requested to return the Statement when no longer required.

2. With reference to paragraph 4 of the same Order, the Government observe that the Raiyats of Kárai do not agree to the proposal for a masonry work to divide the waters of the disputed channel.

(Signed) J. D. BOURDILLON,
Secretary to Government.

2.

It will be seen that the ryots of the Government Village of Kavai are averse to the construction of a Masonry dam across the Channel for the better regulation of the supply of water, while the ryots of the late Nabobs' Garden consent to such an arrangement.-
