Proceedings of the Madras Government, Revenue Department, 11th September 1860.

No. 165. Read the following letter from J. C. BOULDERSON, B. CARDOZO and S. KRISHNAMACHARI, Esqrs., Municipal Commissioners for the Town of Madras, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 27th August 1860:—

SIR,

1. We have the honor to acknowledge receipt of the Order of Government, Revenue Department, No. 1,388, dated 18th instant, and with reference to the inquiry made at paragraph 2, beg to state that the trees which border the public roads have hitherto been under the charge of the Commissioner of Police, but that Officer agrees with Government in thinking they should be transferred to this Department.

2. We shall have no objection to this arrangement provided the trees are placed entirely under our management or that of our Officers, but if the Superintendent of the Horticultural Gardens is to attend to the planting and watering of the trees at the expense of the Municipal Fund, as would appear to be contemplated by Government in their Order above referred to, we must decline having anything to do with them.

No. 166. ORDER THEREON, 11th September 1860, No. 1,568.

1. As the Municipal Commissioners consent to take charge of the avenues along the road under their care, the Government resolve to make over those avenues to that body. It will be for the Commissioners to make such arrangements as they may deem best to effect the desired object, viz., the restoration and preservation of the trees. It was never the intention of the Government, as the Commissioners suppose, that the avenues should be attended to by Government Officers at the expense of the Municipal body.

2. Beyond the Cenotaph the Mount Road is under the Government Engineers. The avenue there will therefore be taken in hand by Mr. Brown, under the Order of the 18th ultimo, No. 1,388. Mr. Brown may commence operations immediately, but a revised Estimate for the distance to be dealt with should be sent in for sanction.

(Signed) J. D. BOURDILLON,
Secretary to Government.

I think the charge of the
2 Inner Wards be made each
to the C. allowing them to
make what arrangements
they deem best to effect the object
desired - viz the extraction of
persons breaking the Peace - from
the Court Staple - the Mount Road
is in charge of the ~~District~~ Engi-
neer of the district - & to the Peace -
2 Wards of the district - & to the Peace -
