Proceedings of the Madras Government, Revenue Department, 11th September 1860.

No. 177. Read the following Proceedings of the Board of Revenue, dated 5th September 1860, No. 4,049 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tanjore, 30th August 1860, No. 277 :—

SIR,

1. With reference to the Proceedings of your Board of the 23rd ultimo, No. 3,359, and your Official Memorandum of the 24th instant, No. , I have the honor herewith to submit a Statement showing, as far as I have been hitherto able to ascertain, the number of persons in this District liable to the Income tax and the probable amount that may be looked for in each Táluq.

2. The Board are doubtless aware of the extreme difficulty of procuring such a return for the first time. I am, however, decidedly of opinion that the amount is not overstated; and it is by no means improbable that when the Act is brought fully and fairly into operation, the amount to be realized may be very considerably greater.

3. I would only take leave further to observe, with reference to the Proceedings of the Board under date the 29th June and the Order of Government thereon of the 4th July, that, with the cordial and able assistance of my Sub-Collector, Mr. Morris, and Deputy Collector, Rama Iyengar, I am quite prepared to put in practice the provisions of the Act and would only solicit the assistance of the additional Establishment proposed to be allowed to Collectors.

---

1. Submitted to Government with reference to their Order dated 4th July 1860, No. 1,104, Revenue Department.

2. The Board observe that the Collector's Statement includes an item styled "Missionary Department." They conclude that the exemption conceded to "the property of all "Hindoo and Mahomedan Religious and "Charitable Institutions" will be extended to the property of Christian Institutions of a similar nature.
