No. 191. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Bangalore, 20th August 1860, No. 290 :—

SIR,

1. Owing to the large reduction in the number of Peons in each Táluq of North Arcot consequent upon the introduction of the new Police throughout the District, the Collector is unable to afford the necessary assistance to the Deputy Collectors employed on the Settlement of Ináms to enable them to secure the prompt attendance of the Inámdars, Karanams and others.

2. This difficulty has been brought by Mr. Robinson to the notice of the Board of Revenue, who have referred the matter to me, as one in which they are not called upon to interfere. A transcript of the Collector's letter is annexed. This is the first occasion on which a difficulty of the kind has been felt; but Mr. Robinson's objection to detach any of the reduced number of Táluq Peons from their regular duties seems reasonable, and it is one which will probably be urged in every District where the new Police is thoroughly introduced. I beg to propose, therefore, that each of the three Deputy Collectors employed in North Arcot be allowed to entertain temporarily 10 extra Peons on the pay of 6 Rupees a month, and I am of opinion that this number, together with such aid as the Táluq authorities would be called upon to render during the ordinary Jamabandy of every Táluq, will enable the Deputy Collectors satisfactorily to conduct the inquiry in those portions of the District respectively assigned to them.

From J. D. ROBINSON, Esq., Acting Collector of North Arcot, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Chittoor, 1st August 1860, No. 178.

SIR,

1. Adverting to the recent arrival in this Zila of two of the Deputy Collectors attached to the Inám Commission, I have the honor to observe that it will be utterly hopeless to attempt to render them the assistance they will require out of the small establishment of Peons allotted under the new scale to its several Táluqs.

2. Under the new arrangement there are about 18 Peons attached to a Táluq, generally speaking of very large area; and to divert any, however few, of this small number, from their regular duties, could not be obviously done without seriously interfering with the despatch of business. On the other hand, assistance of this kind is absolutely indispensable to the prompt and satisfactory prosecution of the inquiries which those Deputy Collectors have come here to conduct. I would beg therefore to suggest that immediate sanction be applied for to entertain a temporary staff of 10 Peons at least in each Táluq during such time as the Deputy Collector may be engaged in it.

3. A copy of this letter has been sent to Mr. Taylor for any comment or suggestion he may have to offer.

(True Copy.)
(Signed) G. N. TAYLOR, *Inám Commissioner.*

No. 192. ORDER THEREON, 12th September 1860, No. 1,581.

1. Under the circumstances stated, the Government permit the Inám Commissioner to entertain 10 additional Peons, at (6) six Rupees a month for each of the three Deputy Collectors employed on the settlement of Ináms in North Arcot. These Peons should be borne on the Establishment of the Commissioner, not on those of the Táluqs in which they may be employed.

2. As the same necessity will be found in other Districts where the new Táluq Establishments shall have been introduced, Mr. Taylor will include a similar provision of Peons for each Deputy Collector, in the Statement of his Establishments which he was directed to submit in Order dated 11th August 1860, No. 1,332. But it will be his duty to take care that the sanction is acted upon only where extra Peons are absolutely needed, and to the number actually required.

(Signed) J. D. BOURDILLON,
Secretary to Government.
