Ordered to be communicated to the Board of Revenue for information.

## *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 23rd August 1860, No. 43.

1. With reference to the enclosed letter from Mr. Blissett, I request the Orders of Government.

2. The site requested by the Superintendent of Telegraphs, is in all respects desirable for the object in view. Central, prominent, adjoining the Post Office, *and* the Station Office of the Assistant Magistrate.

3. A desirable site was allotted on this Hill for a public subscription Library (vide correspondence noted in the margin),* but subsequently on Sir Charles Trevelyan visiting the Hills, he gave the *Public Bungalow, and its* Hill, (a still better site) to the same institution; see Proceedings of Government, 24th April 1860, No. 598. I conclude Government did not mean the Library to keep *both*, and if not, then the first site could not be more properly disposed of, than by allotting it to the important object of a Telegraph station, there is no present *building* available, it would have to be erected.

* *Order of Government, 16th September* 1859, *No* 1,432.
*From Collector of Coimbatore, to Government, 8th October* 1859, *No.* 47.
*Order of Government, 28th October* 1859, *No.* 1,629.

---

From J. T. BLISSETT, Esq., Superintendent of Telegraphs, Southern Division, to E. B. THOMAS, Esq., Collector of Coimbatore, dated Madras, 17th August 1860, No. 252.

In consequence of a communication received from Mr. Knop, Inspector in charge of Telegraph Office at Ootacamund, proposing the removal of his Office from the present building to one on the Hill where the Post Office, Magistrate's Office, &c., are situated, I have the honor to request that you will have the goodness to inform me whether in your opinion the proposed removal will not be attended with any inconvenience to the inhabitants of the place, and whether the proposed site occupies a more central position than the present building.

ORDER THEREON, 7th September 1860, No. 1,322.

The site required for a Telegraph Station is therefore available, and the Collector is authorized to make it over for that purpose to the Superintendent of Telegraphs, Southern Division.
