No. 230. Read the following letter from C. PELLY, Esq., Member of the Board of Revenue, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Madras, 9th August 1860, No. 444 :—

SIR,

1. I have the honor to bring to the notice of Government, that the accompanying Memorandum from the Acting Civil Auditor returns to me, unaudited, for want of the sanction of the Government of India, the Pay Abstract for last month on account of the temporary Establishment employed for carrying on the business connected with the revision of Revenue Establishments. In their Proceedings dated 23rd November 1859, No. 1,596, Government authorized me to incur an expenditure to the extent of 150 Rupees per mensem for this purpose, but I have availed myself of only a portion of this sum. The Abstract for last month amounts to Rupees 69-11-10, and it is necessary that the servants employed should be paid.

Acting Civil Auditor, 3rd August 1860, *No.* 778.

2. If the Civil Auditor cannot be directed to pass the Abstract, I request that the Government will be pleased to authorize the Sub-Treasurer to pay me the sum in question as an advance, and to continue to do so on my receipt, till the sanction of the Government of India is obtained.

No. 231. ORDER THEREON, 14th September 1860, No. 1,597.

The Governor in Council resolves to apply to the Government of India to confirm the Order of this Government, dated 23rd November 1859, authorizing Mr. Pelly to incur an expenditure not exceeding Rupees 150 a month in the employment of temporary servants for carrying on the business connected with the revision of Revenue Establishments. In the mean time the Civil Auditor will be instructed under the Order of the Government of India dated 23rd April 1860, No. 3,582, to pass the Abstracts for the servants employed, as much inconvenience would be occasioned by withholding their pay.

(Signed) J. D. BOURDILLON,
Secretary to Government.

Ordered that the following letter be despatched.

No. 232. From J. D. BOURDILLON, Esq., Secretary to the Government of Fort Saint George, to W. GREY, Esq., Secretary to the Government of India, dated 14th September 1860, No. 1,598.

SIR,

1. With reference to my letter of this date No. 1,596, I am directed by the Honorable the Governor in Council to submit the accompanying letter from Mr. Pelly, Member of the Board of Revenue, employed in the special duty of revising the Revenue Establishments of this Presidency.

9th August 1860, *No.* 444.

2. Under date the 23rd November 1859 this Government in an Order No. 1,596, authorized Mr. Pelly to incur an expenditure not exceeding Rupees 150 a month on account of a temporary Establishment for carrying on the business connected with the revision. Such an Establishment so far as was found indispensably necessary, has accordingly been entertained; but the Civil Auditor has now declined to pass the Pay Abstract, in the absence of the sanction of the Government of India.

3. My letter of this date above referred to will satisfy the Governor General in Council of the necessity of the small Establishment in question. Its duty consists in keeping registers of letters received and dispatched daily, collecting references, keeping the papers in proper order, examining and tabulating Statements received from the Collectors in reply to the several Circulars, and compiling Statements required from time to time.

The smallness of the Establishment entertained shows that there is no disposition to incur any needless charge. The few servants now employed are represented to be fully occupied, and they are assisted, as far as practicable by the general Establishment of the Board of Revenue.

4. The exact period for which this Establishment will be required cannot now be stated. It will be necessary as long as the business connected with the revision continues. In that there is yet much to be done. The re-arrangement of Táluqs has yet to be completed; the revision of the Salt and Sea Custom Establishments is in progress; that of the Revenue Establishments has not been finally settled, and that of the Village Establishment has been little more than commenced.

5. Under these circumstances I am directed to request the confirmation by the Government of India to the authority granted by this Government on the 23rd November 1859, for the expenditure of a sum not exceeding 150 Rupees monthly, for temporary servants to aid in the revision of Revenue Establishments. No larger expenditure than is absolutely required will be incurred; and it will not be continued longer than necessary.

6. A Tabular Statement in the prescribed form accompanies.
