Read the following letter from G. S. FORBES, Esq., Collector of Ganjam, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George ; dated Chetterpore, 27th July 1860, No. 193 :—

SIR,

In reply to 2nd paragraph of the Board's Circular Proceedings, No. 2,857, dated the 16th ultimo, I have the honor to observe that the fall of rain registered in Fasli 1268 is wrongly given, the mistake resulted from the person who drew up the account having given the total instead of the average of the returns of each section. This continued till the mistake was discovered and rectified by me in July 1859. The actual fall of rain for the period in question is 40 inches and not 114 inches.

Submitted to Government with reference to paragraph 2 of the Board's Proceedings, dated 29th June 1860, No 3,020.

(A true Copy and Extract.)
