Read the following letter from J. FRASER, Esq., Collector of South Canara, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Mangalore, 21st August 1860, No. 139 :—

SIR,

1. I have the honor to acknowledge the receipt of an Extract from the Proceedings* of the Board, on the subject of Kumeri in the Bekal Táluq.

* *No. 3,595 of 4th August* 1860.

2. The instructions therein contained are so clear that I have now no hesitation as to the course I am to pursue, and I shall act up to them to the best of my ability. These instructions, however, only add to the necessity on which I insisted in my letter of the 18th instant for an Extra establishment for the measurement of the cultivation for this Fasli ; and in anticipation of the sanction of Government, I propose to entertain the people from the 1st proximo, as no time is to be lost in commencing operations. I trust the Board will approve of this course. I propose to visit the Táluq myself next month, in order to push on the measurement as fast as possible.

1. Submitted for the information of Government in continuation of the Board's Proceedings, dated 4th August 1860, on the subject of the assessment on Wurgdar Kumeri in Bekal Táluq, and of those dated 27th August 1860, forwarding the Collector's application for a temporary measuring establishment.

2. The Board trust to receive Mr. Fraser's opinion on the proposed change of assessment at no distant date.
