Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Tinnevelly, 8th September 1860, No. 345 :—

SIR,

1. I have the honor to inform you, that since the date of my last report on the prospects of the season, there has been partial rain in the West of the District, viz., in Tencasy and Ambasamoodrum. The rain which fell in the Táluqs of Strivilliputtur, Sauttoor, Shenkerninarcovil, and Nangoonary, was only partial, but proved beneficial to the standing wet crops, as well as to dry lands being prepared for cultivation. Slight freshes came down the river Tambrapoorny.

2. The Carr wet crops under the irrigation of the Tambrapoorny have in some places come to bearing, and in some they are young. The crops to the East of Tinnevelly are generally languishing for want of water.

3. Some of the dry lands have been sown, and some are being prepared for cultivation. Cholum and Raggy have been raised under new and old wells.
