No. 341. Read the following Proceedings of the Board of Revenue, dated 10th September 1860, No. 4,112:—

Read the following letter from H. A. BRETT, Esq., Collector of Salem, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Usur, 7th September 1860, No. 238:—

SIR,

1. With reference to the Board's Proceedings, dated the 3rd July last, No. 3,350, communicating an Order of Government, dated the 4th idem, No. 1,104, regarding the Income tax, and requesting me to report to the Board what probable number of persons in this District will be brought under the operation of the new tax, and what will be the probable amount of their contribution, I have the honor to submit herewith a statement, giving on very imperfect data, the information required.

2. In this statement the persons liable to the Income tax have been divided into six classes. The total number entered in the statement is 1,217, consisting of 784 persons paying Rupees 2 per cent., and 433 persons paying 4 Rupees per cent. The aggregate amount of the tax, according to the statement, will be Rupees 35,073. If this calculation should prove far short of what will be really collected, the Board will, I hope, make due allowance for the difficulty which I of course find in making, at present, any correct calculation on the subject.

In Cons., 12th July 1860, No. 3,408.

1. Submitted for the information of Government with reference to their Order, dated 4th July 1860, R. D., No. 1,104.

2. Mr. Brett is requested to state what he will require in the way of Extra Establishments.

(A true Extract and Copy.)

(Signed) J. D. SIM, *Secretary.*
