Proceedings of the Madras Government, Revenue Department,
21st September 1860.

No. 374. Read the following Proceedings of the Madras Government in the Military Department, dated 14th September 1860, No. 3,299:—

Read the following letter from the Deputy Commissary General, Bangalore, 10th September 1860, No. 3, to the Secretary to Government, Military Department, Fort Saint George:—

SIR,

1. In continuation of my letter No. 2, dated 27th August 1860, stating that I was about to visit the Amrut Mahal Cattle at Hunagode, I have now the honor to report that I was about 10,000 out of 13,000 of them, and found them from the continued drought during the past five years, the lateness of the rain this season, and consequent want of suitable forage, in indifferent condition. I therefore recommend they should be allowed to graze in the jungles until November, till when, with the approbation of Government, I shall delay beginning to dispose of them.

2. From the difficulty of moving the Cattle through Districts strange to them, a matter more deeply impressed on my mind since seeing them, I would venture strongly to recommend the Sales should be made within the Mysore territory, keeping in view the advantage of fixing the places where the Sales are to take place as near as possible to the Company's country.

3. I have further the honor to transmit an advertisement for which, if approved of, I beg to solicit a prominent and early insertion in the "Fort Saint George Gazette." It might prove advantageous if Collectors of Districts were requested to see that it was circulated in their respective Collectorates.

The Governor in Council approves of the course recommended by Colonel Hill, and directs that the advertisement submitted with the foregoing letter be published in the "Fort Saint George Gazette," and that the present papers be communicated, through the Revenue Department, to the several Collectorates, with a view to the widest publicity being given to the Notification in question, in District Gazettes.
