No. 376. Read the following Proceedings of the Board of Revenue, dated 24th August 1860, No. 3,881:—

Read the following letter from E. B. THOMAS, Esq., Collector of Coimbatore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 27th July 1860, No. 114:—

SIR,

1. With reference to the Board's Circular of the 14th May 1855, No. 175, I have the honor to forward a statement of the lapse of a pension by the death* of Chinnavalu Kondama Náyakan, a member of the Mangalam Pálayagár's family in this District.

2. This person was in the receipt of a pension of Rupees 85-12-8 per annum, under the sanction of Government, dated 28th August 1840. He has left a widow and an infant child 6 months old, who have no other means of livelihood than the stipend alluded to, and I would therefore recommend that the pension enjoyed by the deceased may be continued to his widow on a reduced scale, *i. e.* two-thirds of the original grant, or Rupees 57 per annum, which I think is a moderate allowance required for the maintenance of the widow and her child.

3. The pension paid to the deceased was of the same character as that alluded to in my letter of the 20th September 1859, No. 175, and I therefore need scarcely enter into further particulars concerning it.

4. I request that the continuance of the pension may be sanctioned from the date of the demise of Chinnavalu Kondama Náyakan.

* *14th May* 1860.

1. Submitted for the orders of Government.

2. In their letter, dated 4th May 1840, No. 180, the Board have given a brief *resumé* of the particulars of the pension now reported to have lapsed; and it will be apparent from that account, that the origin of the grant is uncertain, though presumed to have been given in consideration of a resumed Páleyam, and that there is reason to believe that its continuance *after* the Poligar disturbances were quelled, was purely as a subsistence allowance. Under these circumstances, the Board concur in the recommendation of the Collector for the renewal of two-thirds of the pension enjoyed by the late incumbent in the name of his widow, but would fix the amount in round numbers at 60 Rupees.

No. 377. ORDER THEREON, 21st September 1860, No. 1,671.

1. The Board of Revenue report the death of Chinnavalu Kondama Náyakan, a member of the Mangalam Pálayagár's family, and recommend that 60 Rupees out of the deceased's pension of Rupees 85-12-8 may be continued to his widow and infant daughter, who have no other means of support.

2. In the Order of January 4th 1860, No. 13, the Government declared the pensions bestowed on the Dindigal Pálayagárs to be of a political character and therefore liable to reduction on lapse.

3. In the present case the survivors are females, viz., a widow and an infant daughter, who are stated to be solely dependent on the Government allowance. The Governor in Council sanctions the continuance of Rupees (60) Sixty to the widow Kuppáyi, for her life; the grant to be reconsidered at her death with reference to the circumstances and necessities of the daughter.
