Proceedings of the Madras Government, Revenue Department, 21st September 1860.

No. 396. Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. BOURDILLON, Esq., Secretary to Government, dated Chepauk, 12th September 1860, No. 4,708 :—

SIR,

1 *Letter from the District Engineer, Vizagapatam.*
Receipt.
Bill.

1. I have the honor to forward for the consideration and orders of Government the accompanying Bill amounting to Rupees 18-8-0, received from the District Engineer, Vizagapatam, which the Civil Auditor has declined to pass without the requisite authority.

2. In their Orders, No. 73, dated 10th January 1860, the Government authorized the Conservator of Forests to despatch to Vizagapatam by a competent Maistry, two cases of young Coffee plants. In accordance with these instructions the cases were despatched to the District Engineer, who paid the Gardener Maistry Rupees 7½, the amount of his batta for 30 days, viz. from 26th June to 25th July 1860. In returning the cases to the Conservator of Forests, the District Engineer filled them with such novelties as were procurable on the Galipurvatum Hill, paying for their freight from Vizagapatam to Madras, as well as for the passage of the Gardener Maistry, Rupees 10-8-0, and for the conveyance of the cases to the Sea-shore, Annas 8.

3. The total expenditure incurred by the District Engineer will thus be seen to have been Rupees 18-8-0, for which I have now to request the sanction of Government.

No. 397. ORDER THEREON, 21st September 1860, No. 1,681.

Sanctioned.
