Madras 22 May 1866

My dear Mr. Dyce.

My firm in a letter dated
7 inst. addressed Government con-
cerning our claim on the
Vaccinatory estates —

It has just now occurred to
me that it is right that you
should know that all the
efforts which our firm made
to recover this claim in former
years were made on the
advice and with the assistance
of Mr. Boyrow — although
our claim is not made
on legal grounds it is not

improbable that it may
be referred to Mr. Boylston.
I think it right that you
should know the fact
of his previous connection
with it -

If H.C. in Council admit
any moral claim - all
the papers will I presume
have to be forwarded to the
Secretary of State - should
he not admit it we have
made arrangements to bring
the subject before Parliament -
in either case therefore the

papers will have to go home,
& I venture to ask if there
is any objection to our applying
officially for any papers which
may be brought before
Government in the inquiry
which I presume is now
being made.

Believe me
Yours very truly
J. Agnew
