Proceedings of the Madras Government, Revenue Department, 24th September 1860.

No. 429. Read the following letter from H. CLEGHORN, Esq., M.D., Conservator of Forests, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 19th September 1860, No. 176 :—

SIR,

1. With reference to paragraph 2 of Proceedings of Government, No. 956, dated 9th June 1860, I beg to report that no publisher or lithographer in Madras was found willing to undertake the execution of the Sketches referred to (which are 17 in number and several of them panoramic views of the Ánamalai Range), without an advance of 300 Rupees to commence with. Moreover, Major Hamilton was disinclined to entrust the work except to a really good artist.

2. In accordance with the above Order of Government the original Report and Lieutenant Beddome's supplement have been transmitted to the Literary Society for publication in the next number of the Journal, and under the Order of Government, 18th May 1859, No. 684, I purpose to submit Major Hamilton's series of Drawings to his Excellency the Secretary of State for India, as they represent the Geographical features of a tract of country of which little was previously known and the narrative contains facts of interest connected with the Hill tribes of Southern India.

No. 430. ORDER THEREON, 24th September 1860, No. 1,697.

It was not the intention of the Government in the Order of May 18th 1859, to limit Dr. Cleghorn to Madras in his search after a publisher. They would now wish him to take the Drawings to England, and to offer them to suitable Societies or publishers there.

(Signed) J. D. BOURDILLON,
Secretary to Government.
