*Proceedings of the Madras Government, Revenue Department,
for the month of January 1860.*

No. 34. Read the following letter from J. D. SIM, Esq., Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated 17th December 1859, No. 5279.

The recent formation of Canara into two districts, renders it necessary that a Printing press with type, &c., should be provided for the new district of North Canara.

2. I am, therefore, directed by the Board of Revenue to request the authority of Government to transfer the press now at Guntūr and which will no longer be required there, to Canara, and to procure a supply of Canarese type for it. The Telugu type now in use at Guntūr will be reserved for future demands from districts in which that language is spoken; but the English type and all the printing materials will be transferred with the press, and will be duly examined here before final despatch to Canara.

3. Such articles as ink and paper will be disposed of to the Krishna division press.

No. 35. ORDER THEREON, 5th January 1860, No. 16.

The Government sanction the transfer of the printing Press at Guntūr to Canara and grant authority for a supply of Canarese type to be procured for it.

(Signed) J. D. BOURDILLON,

Secretary to Government.
