No. 478. Read the following Proceedings of the Board of Revenue, dated 13th September 1860, No. 4,165 :—

Read the following letter from W. FISHER, Esq., Collector of North Canara, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Honore, 18th August 1860, No. 123 :—

SIR,

1. The Orders of Government on the Kúmeri question, dated 23rd May 1860, No. 830, contain no reference whatever to the cases of Bascarapa and Narna Kumpty, but a decision on the claim set up by the former individual is urgently required to enable me to dispose of several applications for land, and I therefore request that it may, if possible, be obtained at an early date.

2. Among these applications is that of Mr. Kleinknecht. This gentleman has commenced operations on the condition imposed by the Board, under date the 28th February 1860, and is very anxious to continue his experiment on a large scale, but is unable to do so whilst there is a possibility of his being called on to relinquish his land.

---

1. The attention of the Collector is drawn to paragraphs 8 and 16 of the Proceedings of Government, dated 23rd May 1860, accepting the decision of the Collector and of the Board which disallows all claims of Wurgdars based on the entry of Kúmeri *Shist* or *Shamil* in their *Wurgs*, and directing that in future the *Shist* be remitted and no payments made to the Wurgdars on account of assessment collected from the cultivators, the only exception being in the case of the Bekul Táluq. The effect of these Orders is to reject absolutely all claims such as those of Narna Kumpty and Bascarapa.

In Cons., 25th May 1860, *No.* 2,444.

2. The so-called *Múlputta* produced by the latter individual was similarly rejected, and the rejection was tacitly accepted by Government.
