Proceedings of the Madras Government, Revenue Department,
28th September 1860.

No. 493 Read the following :—

Estate of the late Assistant Surgeon S. G. Johnson, Medical Department. — Military Estate Department.

Extract from a letter to Captain R. MAYNE, President, Committee of Adjustment, Chittoor dated 17th September 1860 :—

Paragraph 3rd. "The transaction between the Cashkeeper Kistnaswámi Mudali, and the "late Dr. Johnson, will be brought to the notice of the Revenue authorities."

(A true Extract.)

(Signed) H. MARSHALL, Colonel,
Secretary to Government.

From Captain R. MAYNE, President of the Committee of Adjustment, to the Secretary to Government in the Military Department, Fort Saint George, dated Chittoor, 15th September 1860, No. 135.

1. In have the honor to enclose for your information two papers written by the late Assistant Surgeon Johnson, one being a demand for Rupees 25 and the other for Rupees 50, on a Native by name Kistnaswámi Mudali, he being the Cashkeeper of the Collector's Kacheri at Chittoor. I wish for information whether these two papers are to be registered with the Estaet of the late Assistant Surgeon Johnson.

2. It appears to me that it was a private transaction and, therefore, must be dealt with in another way, if Kistnaswámi Mudali advanced sums of money from the Treasury to be afterwards deducted from whatever pay the late Assistant Surgeon Johnson might draw through the Civil Department, I should say that it was a most objectionable course to persue ; if the money was advanced privately by this Native from his own funds, then I should say he is no way bound to call upon me to refund the money.

No. 494. ORDER THEREON, 28th September 1860, No. 1,729.

1. Captain Mayne's letter will be referred to the Collector of North Arcot, for report as to the nature of the transaction between the Cashkeeper Kistnaswámi Mudali and the late Dr. Johnson. He will report whether or not the money which appears to have been advanced was taken from the Public money in the Cashkeeper's charge, and on what terms the advance was made. He will also give any explanation that may be offered of Dr. Johnson's failure to pay the money on the receipt of his pay for April.

2. He will report likewise under what circumstances Dr. Johnson's pay for April was still unpaid on the 19th May.
