Proceedings of the Madras Government, Revenue Department, 28th September 1860.

No. 499. Read the following Proceedings of the Board of Revenue, dated 14th September 1860, No. 4,171 :—

Read the following letter from W. M. CADELL, Esq., Collector of Tanjore, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated Vellam, 29th August 1860, No. 274 :—

SIR,

I have the honor to forward a list of Types, &c., required for use in the Printing Press attached to my Kacherí, and to request you will be good enough to make arrangements for my being furnished with the same as early as possible, as considerable inconvenience is experienced from the insufficient supply of Types on hand both in the printing of the Gazette and in the setting up of the other statements and forms which are constantly required.

1. Submitted for the orders of the Honorable the Governor in Council.

2. The Board recommend that the Superintendent of the "Fort Saint George Gazette Press" be instructed to purchase and supply to the Collector of Tanjore the Type required by him, to place his Press in an efficient condition.

No. 500. ORDER THEREON, 28th September 1860, No. 1,732.

The Board support an application by the Collector of Tanjore for additional type and other articles stated to be required for his Press. On the 31st October 1859, the Government sanctioned an Estimate for a quantity of type and other articles for the Collectorate Presses, including Tanjore. That Estimate was submitted by the Board of Revenue in pursuance of an Order of Government, who wished to ascertain and sanction once for all the type required for the District Presses, so as to prevent the submission of constant applications such as the present. This application seems to have been forwarded by the Board without any reference to their former Estimate for Tanjore. But the Government must decline to sanction it, in the absence of proof that this additional quantity is necessary; and of any reason why, if it is necessary, it should not be provided out of the receipts of the Press.
