Proceedings of the Madras Government, Revenue Department,
5th October 1860.

No. 89. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, dated Camp Palmanair, 19th September 1860, No. 319 :—

SIR,

1. I have the honor to solicit the sanction of Government for the manufacture at the Mint of two new Seals for the Inám Commission, similar in pattern to those before supplied, of which impressions are herewith forwarded, but engraved on steel instead of brass.

2. It will be seen that the present Seals are as much worn by constant use as the Seal of the Governor in Council, the renewal of which was sanctioned in the Orders of Government No. 231, dated 15th February 1860, I beg therefore that the Mint Master may be requested to cause the Seals now applied for to be engraved as early as possible, forwarding to me, in the first instance, the new oval Seal which is more required than the other.

No. 90. ORDER THEREON, 5th October 1860, No. 1,795.

Resolved that the Mint Master be directed to supply the Inám Commissioner as early as possible with two seals engraved on steel of the pattern described in this letter; the oval seal, as the more urgently required, to be completed and sent to Mr. Taylor as soon as possible.

(Signed) J. D. BOURDILLON,
Secretary to Government.
