No. 345. *PROCEEDINGS OF THE MADRAS GOVERNMENT.*

Dated 20th October 1860, *No.* 1,921.

Several petitions recently addressed to Government by individuals who have considered themselves aggrieved by the issue of Title Deeds by the Inám Commissioner in the name of a single individual, or head of the family, have borne endorsements by some of the Deputy Collectors expressing opinions on the right or otherwise of the Petitioners to a share in such Ináms. The Governor in Council considers it necessary, therefore, to intimate to the Inám Commissioner for the guidance of his Deputies, that they have no authority to give endorsements of the nature mentioned. Their remarks should be confined to a simple refusal to deal with the claim as being beyond their province.
