Proceedings of the Madras Government, Revenue Department,
26th October 1860.

No. 424. Read the following Proceedings of the Board of Revenue, dated 19th October 1860, No. 4,782 :—

Read letter from the Collector of Ganjam dated 9th August 1860, No. 208.

(In Cons., 15th October 1860, No. 5,210.)

1. In this letter the Collector of Ganjam reports the death on the 19th July last of Sree Narrayna Chatreydio, Zamíndár of Jalantra, a permanently settled estate in the Agency tracts of that District, paying a Peshkash of Rupees 7,000 annually.

2. The Zamíndár's mother and two wives survive him, and he is said also to have left a son aged two months. The birth of the latter was not reported, as usual on such occasions, and it is doubtful whether the child is really the late Zamíndár's son. There is, however, no evidence forthcoming, on which, if so disposed, the child's right of accession could now be questioned, and the only course is to recognise him for the present as heir to the estate.

3. The elder widow wishes to have charge of the estate, but the Collector recommends that it should be taken under the charge of the Court of Wards, as there is already a claim against in for Rupees 7,000, and the late Zamíndár had endeavoured to forestal the revenue of the current year.

4. The Board concur with Mr. Forbes and request the permission of Government to assume charge of the property under Regulation V of 1804 on behalf of the minor.

5. The establishment and maintenance allowances proposed by the Collector are moderate and the sanction of these and the formal appointment of a Guardian and Manager will be duly considered on receipt of the orders of Government as to the future charge of the estate.

should accept the Dr. B. proceedings and act as they expect—

If there are orders of Govt. that the child is to be reported to Jagannadas—it may be a practice, but it does not seem certain no injunctions exist on the child—If other grounds of objection exist such as the age of the Jagannadas, the mother not marrying the child, these may be held, as to the parentage of the child—but if such grounds do not exist—I need not more fearlessly in the matter—
