Proceedings of the Madras Government, Revenue Department
27th October 1860.

No. 447. Read the following Proceedings of the Board of Revenue, dated 28th September 1860, No. 4,437 :—

Read the following letter from A. WEDDERBURN, Esq., Officiating Collector of Cuddapah, to J. D. SIM, Esq., Secretary to the Board of Revenue, Fort Saint George, dated 11th September 1860, No. 101 :—

SIR,

1. The Civil Auditor having declined to pass the personal allowance, viz., Rupees 75 of the Sub-division Sarishtadár V. Narrain Row for the month of July last, I have the honor to request that his case may be brought before Government for their consideration and orders.

2. Narrain Row is an Officer of good character and considerable service,* who was not considered as fitted, by his ingorance of English, for the post of Collector's Sarishtadár, and his advanced age prevents his employment as a Tahsíldár, while he is useful in his present situation. The Board have already expressed their opinion "that he should continue as Sub-division Manager "on Rupees 175 until an opportunity occurs for providing "for him in some other capacity," and Government in their Order, No. 1,220 of 10th September 1859, upon these Proceedings, apparently acquiesced in the above arrangement.

* 25 *years.*

Proceedings Board of Revenue, No. 3,440, *1st September* 1859.

---

1. Submitted to Government with the Board's recommendation that the Civil Auditor be instructed to pass V. Narrain Row's salary of Rupees 175, until further orders.

2. V. Narrain Row drew this rate of pay as Sub-division Sarishtadár before he was made Sub-division Manager, and it was not intended that such Officers should suffer by the change of system.

Vide Board's Proceedings, 8th March and 10th May 1859, *paragraphs* 15 *and* 10.

No. 448. ORDER THEREON, 27th October 1860, No. 1,977.

1. The Board of Revenue lay before Government a letter from the Officiating Collector of Cuddapah, requesting that the Civil Auditor may be instructed to pass salary to V. Narrain Row, Sub-Division Manager of the District, at the rate of 175 Rupees per month, being that which he drew as Sub-Division Sarishtadár, although the pay of his present office is only 100 Rupees.

2. In their Circular of the 10th May 1859 respecting the arrangements consequent on the employment of Deputy Collectors, the Board of Revenue stated (paragraph 10) that Sub-Collectors' Sarishtadárs not provided with appointments of equal value, might retain their post (now to have a reduced salary of 100 Rupees) until provided for. The Government had not authorized such a guarantee, but they did not object to the order.* On a recent occasion† the Government confirmed the extra pay to two Sub-Division Sarishtadárs, one in Bellary and another in Tinnevelly, and the case under reference is now recommended for a similar consideration.

* 30*th April* 1859, *No.* 595.

† 17*th August* 1860, *No.* 1,378.

3. The rule was fair on the introduction of a new system, to prevent sudden loss; but the Government consider that its operation ought to have a limit. If a public servant is so poorly qualified that he is unable to obtain an employment on pay equal to what he received in his previous appointment, he cannot be allowed to continue, for an unlimited time, to draw that pay which has been once ordered to be reduced.

4. The Government therefore direct that such of the men in this position as may be entitled to pension by length of service, be required to take pension; and in respect to others, the extra pay will not be allowed beyond a certain period.

5. Of the three persons above referred to, Sashageri Row in Bellary has served above 40 years, and Narrain Row in Cuddapah above 30. Both of these will be now required either to take their pension, or to serve on the proper pay of the office.

6. Veerabudra Pillai in Tinnevelly, has served nearly 28 years and will be allowed to serve out the 2½ years wanting to entitle him to full pension; and for that period the Government permit him to retain his present pay, unless promoted in the interval.

In their Circular
of the 10th May 59 respecting
the arrangements consequent
on the employment of Deh.
Collectors, the Govt. of Rev. said
(V. 10) that Sub. Coll.rs Savishta-
-dars, not provided with
Establishments of equal value,
might retain their Post
(now Rs 100) a reduced
salary of (50 Rs.) till provi-
-ded for. The Govt. took
not authorized such a pro-

-vantee, but they appeared to it.

2. On a recent occasion the Govt. confirmed the extra pay to two such officers in Shillong & Jaintiah; & another case is now come up from Cuddalore.

3. The Rule was fair on the introduction of a new system, to prevent sudden loss; but I think it must have a limit. If a man has no title to recommend him that he cannot get employed on pay equal to what he now has, though it is hard that on continuing to draw that he should lose his pay for an unlimited time.

4. I think in the first place, that men in this position, entitled to pension by length of service, should be required to take pension; & without leave to others, I think the extra pay should not be allowed beyond a certain time to be fixed. Where men have been drawing pay in excess of that to which they are entitled, for above a year & a half. I think their further receipt of it may without hardship be limited to the end of the current Calendar year.

5. Of the three men above
