Sir

Mr. Conductor Walker who had charge of one of the parties employed on the Madras Town Survey has proceeded on sick leave to England leaving his assistant Mr. Cooke in temporary charge.

2. Mr. Cooke has applied to me for the acting appointment of Rev Surveyor but for this post I do not consider him fully qualified although he is competent to perform all the duties at present required which consist in completing the maps & records of the Permanbore Division the field work of which has been already brought to a close.

3. I have therefore the honor to recommend for the sanction of Govt that I be permitted to give Mr. Cooke the temporary appointment on the half Salary left undrawn by Mr. Walker only.

Rs 87-8-0

4. Mr. Cooke has been six years in the Survey & his salary is only 50 Rs per mensem the horse allowance of Rs 15 being only drawn whilst field work is in progress.

Para 5.

5. I purpose filling Mr. Cooke's place and appropriating his salary (Rs 50) for a time by employing a Draughtsman. He is in want of some such assistance on account of the departure of Mr. Walker

6. I was under the impression that it was competent for me to make the appointments detailed above but am informed by the Civil Auditor that they require the sanction of Govt. I venture to suggest that unimportant arrangements of this description should for the future be left to my discretion.

I have the honor to be
