Proceedings of the Madras Government, Revenue Department, 1st November 1860.

No. 19. Read the following Proceedings of the Board of Revenue, dated 25th October 1860, No. 4,894 :—

Read letter from Collector of Malabar, dated 12th October 1860, No. 193.
(In Cons., 17th October 1860, No. 5,276.)

1. Resolved that the above letter be submitted to Government.

2. The Board are unable to recommend that Mr. Pelly's revision of the Táluqs should be suspended until the Income Tax assessments are completed. Such a step would be equally necessary in other Districts, and it would disturb the arrangements connected with the introduction of the new Police.

3. The Board recommend that the Collector be authorized to vest the Deputy Collector in Wainád with the powers mentioned in Section 23 of Act XXXII of 1860. His Covenanted Officers can exercise these powers under Government Order, dated 19th October 1860, No. 1,913, Revenue Department.

In Cons., 19th October 1860, *No.* 5,338.

4. As regards paragraph 7 the Board request the Collector to report, as soon as possible, what additional servants he will require.

5. As respects Gumáshtas for the Tahsíldárs, the Collector will perceive from the Order of Government, dated 18th October 1860, No. 1,900, Revenue Department, that the Governor General has ruled that the Assessors are not to be allowed even readers, but are personally to do all work connected with the assessments. All the aid therefore that ministerial servants can afford them is the routine work of preparing the forms for issue, &c. Extra Gumáshtas therefore will not be required, as the ordinary Táluq servants can do these petty duties. If the Tahsíldárs cannot perform their revenue work and also the additional work now devolving on them in connection with the Income Tax, the Collector must arrange so as to relieve them temporarily of their less important Revenue duties, which may be undertaken by their subordinates for the short period necessary.

In Cons., 19th October 1860, *No.* 5,321.
