The Governor, as I mentioned in a previous note, approved of Charles Rundall being appointed as an Assistant Dir of Rev Settlement (to draw 300 Rs a month from the commencement) & I am dispatching him & Kellow on the supposition that he will be appointed & the time of their work will you be good enough to bring before the Govern my request that he may be appointed in the next Gazette.

I can provide funds for a few months out of unexpended portion of sanctioned amount for this year, but this is not necessary as the Govt has concurred in my scheme for introducing these persons

scale, which is about to be
laid before that Government.

The appointment is
made before the receipt of
the sanction of the Govt. of
India because it is necessary
to the prosecution of the Settle-
ment operations.
