1. Agreeably to the orders of Government communicated in paragraph 3 of their Proceedings dated 5th September 1860, No. 1,524, I have the honor to forward the accompanying letter from Mr. Assistant Overseer Plumbe, expressing his willingness to submit to the arrangement ordered in connection with the recovery from him of one-half of the salary which he received in the Revenue Survey Department during the time he was studying at the College, and which, I find,* amounts to Rupees 285.

2. The accompanying correspondence shows that Mr. Plumbe was admitted as a student in the Civil Engineering College on the 1st July 1858, and that he remained there until the 15th June 1860. He drew pay from the Superintendent of Revenue Survey up to the end of the latter month, and to refund the sum abovementioned in the manner directed by Government, will take upwards of 14 months, I have the honor, therefore, to recommend that the payment of the first instalment of 20 Rupees may be made from the salary which will become due to the Assistant Overseer for this month, and that the remaining instalments be deducted from the succeeding month's salary until the whole amount has been cleared off.

Vide Principal's letter dated 5th October 1860.

District Engineer of Madras, dated 11th October 1860, *No.* 861.

Some little delay has taken place in submitting this report in consequence of an incorrect entry having by mistake been made in the District Engineer's letter of the initials of Mr. Plumbe's name, and further information having been required on the subject of the exact date on which the Assistant Overseer entered the College.

Dated 15th September 1860, *No.* 714.
