Proceedings of the Madras Government, Revenue Department, 8th November 1860.

No. 120. Read the following Proceedings of the Board of Revenue, dated 20th October 1860, No. 4,828 :—

Read the following Endorsement of the Acting Collector of Kurnool on Government Petition No. 2,470 of 1860, dated 4th October 1860.

1. The Magistrate of Cuddapah was written to on the 14th June 1859 to make inquiries regarding Petitioner's cart and pair of bullocks which were seized at Cuddapah, and supplied to the 1st Regimet Light Cavalry *en route* to Trichinopoly.

2. On the 15th September 1859, the Magistrate of Cuddapah forwarded copy of a letter from the Principal Sudder Amín of Trichinopoly, and stated that the claimant should appear in person or by Vakíl before that Officer and claim his bandy, the bullocks having been sold.

3. On the 11th October 1859 the Magistrate of Cuddapah was again addressed and requested to report whether the names of the four Bandymen, alluded to in former letters, were entered in the Register of Carts.

4. On the 26th October that Officer replied that only two names figured in his Register, viz., Mútula Báligádu and Chellamalla Náganna.

5. The Petitioner was finally directed in January of this year to appear before the Principal Sudder Amín at Trichinopoly, and identify his cart.

6. As there is no doubt concerning the identity of the Petitioner with the party whose bandy and bullocks were seized in March 1859, for the use of the 1st Regiment Light Cavalry, and taken from Cuddapah to Trichinopoly, the owner through illness having been unable to accompany them, and as it would be an additional hardship now to compel him to proceed to Trichinopoly, a distance of 428 miles, to claim the bandy which is in charge of the Principal Sudder Amín, I beg to recommended his case to the liberal consideration of the Board and Government, and to suggest that he be now paid Rupees 100 in compensation for the property of which he was deprived for Government purposes.

7. The exact value of his bandy and cattle cannot of course be now satisfactorily discovered.

Ordered to be submitted to Government, with reference to their Endorsement on the Petition in question, and with the Board's recommendation that the Collector as proposed by him be authorized to disburse to Petitioner Rupees 100, in satisfaction of his demands, if he be willing to accept that sum in full of all claims.

No. 121. ORDER THEREON, 8th November 1860, No. 2,074.

1. The Government sanction the disbursement of 100 Rupees to M. Báligádu, as proposed by the Collector and recommended by the Board of Revenue.

2. The Collector's report will be furnished to the Military Department with a view to ascertain under what circumstances the cart in question was delivered over to the Principal Sudder Amín at Trichinopoly, and how the proceeds of the sale of the bullocks were disposed of.

3. The long deay that has occurred in bringing the case to a settlement is much to be regretted. In many cises a man would prefer to submit to the loss of his cart and bullocks rather than to folow so tedious and apparently hopeless a suit.
